

विद्युत उत्पादन कम्पनी लिमिटेड

Vidhyut Utpadan Company Limited

Ref. No. 2082/083-773

Date: April 27, 2026

Consulting Services for: Feasibility Study and Detailed Engineering Survey, Design and Report Preparation of Road Realignment of Karnali Corridor at Kalikot. RFP No: VUCL/PKHEP/RFP/Re-Alignment/082/083-1

Regarding the matter that has been further clarified.

Dear Eligible Consultants.:

All concerned Consultants are hereby notified that, with reference to the above-mentioned Service RFP Document published on 20 April 2026, while submitting the BoQ rates—wherein the distance has been specified as “per KM” and “15 KM”—it is to be understood that, subsequent to the Feasibility Study, should the actual road length exceed 15 KM, the per KM rate as quoted in this RFP shall remain firm and binding. Only the quantity shall be subject to variation accordingly.

Yours sincerely,

Mr. Heeraman Waiba
Acting Chief Executive Officer
