S. N.	Section No., Clause No., Sub Clause No. and Page no. of Bid Document	Bid Document Provision	Query/Request	Clarification /Answer	Remarks
1	2.4.2 Specific Construction Experience (a) Contracts of Similar Size and Nature	For Each Partner: at least one Contract within the last Ten (10) years with a value of at least NRs 3.17 million (Without VAT) of Tunnel works that have been successfully completed and that are similar to the proposed works.	Have to change as per Definition of Complex Work of Standard Bidding Document.	Criteria for Each Partner of Clause 2.4.2 is Changed to Not Applicable	Definition of Complex Works: Complex works means those works involving complex technology such as tunnel roads, roads (asphalt concrete, Rigid pavement with high strength concrete etc.), major bridges, special bridges (pre stress bridge, arch bridge, cable stayed bridge, suspension bridge etc.), airport, large water supply and wastewater projects, large irrigation projects and their components like Headworks, weir, Barrage, Tunnel works, hydropower projects and similar works. However, in case of complex works like tunnel roads, airports, railway lines, hydropower projects, flyover, viaduct etc. for which experienced domestic bidders may not be available in market, in order to enhance capability of domestic bidders, the qualification criteria may be specified in a similar manner for non-complex works i.e. each partner's requirement may be specified as "not applicable".
